Alliance Will Donate \$1 to Children's Miracle Network for Every New Facebook Follower

Alliance is a proud supporter of Children's Miracle Network and wants to raise even more money for them this summer. To do so, Alliance will donate \$1 for every new Facebook follower we receive up to \$5,000.

This means that we will be asking you to spread the word to your family and friends on Facebook.

and awareness for St. Louis Children's Hospital and SSM Health Cardinal Glennon Children's Hospital. Plan Your Getaway! Open a Vacation Club Savings Account

Plan ahead for your next vacation by opening an Alliance Vacation Club Savings Account today. This account allows you to save cash for all the expenses that come with traveling to your destination. **When you automate your savings with payroll deduction or automated transfers from another account, building your balance is easy.** And your funds, plus interest, can be automatically transferred to your checking account when you are ready for your getaway!

Open a Vacation Club Savings Account at any time of the year with only a \$5 minimum deposit. Your account begins earning .16% APY* once your average daily balance for the month reaches \$100. We suggest opening your account with \$100, so you start earning interest right away.

For added convenience and flexibility, you can make one withdrawal per

month without penalty if you need to do so. And, your money is secure — it's federally insured by the NCUA.

If you need assistance figuring out how much money you will need to transfer into your Vacation Club Savings Account each month to reach your savings goal, check out our "Savings Goal" calculator on our website under the "Education Center" tab. Using this calculator will help you project how long it will take you to meet your savings goal based on how much you are able to put into your account each month.

Questions about opening your Vacation Club Savings Account? Call us at 636-343-7005, option 0 or visit any branch to open your Vacation Club Savings Account today!
