

Delivering Value

OCTOBER 2021

And the Survey Says...

The results of our online survey have been tallied and your voice is being heard! Each year, Alliance surveys its membership and our management team and board of directors use the results and member feedback to decide on service improvements, future product offerings, facility needs, etc. **This year's online survey had a 16% response rate and was completed by more than 1,500 members.**

We appreciate our members' vote of confidence evidenced by this year's survey. For example, 90% were "satisfied" or "very satisfied" with our service and 90% said they would likely recommend us to their friends and family members. Best yet, 90% said they "completely" or "mostly" trusted Alliance to meet their financial needs. Moreover, 57% of respondents stated that they have downloaded our free mobile app, and 53% were aware that Alliance offered shared branching.

Thanks to all the members who took the time to complete our annual survey. We are a member-owned, not-for-profit financial cooperative and your opinion counts. Alliance Credit Union listens to our members- not stockholders!

Other Key Findings:

- 61% consider Alliance their primary financial institution
- 75% have a checking account
- 70% prefer to access their accounts electronically
- Service is the primary reason members use Alliance
- Fenton is Alliance's most visited branch
- 59% are aware that Alliance offers Courtesy Pay
- 41% said COVID-19 has them using more e-services
- For improvement: More branches & better online banking

Thank you for the kind words...

"I just want to reiterate how happy I am with your staff and customer service. Compared to other financial institutions I've used over the years, they are outstanding by comparison."

"I love this credit union. My account was opened by my Momma when I was in kindergarten and I'm 31 now. I didn't know about the co-op, but that just makes me even more happier with Alliance."

"I love the ease of transferring funds electronically. The mobile app is very user friendly and makes my life a little easier. When I need to go into a branch, things run very efficiently."

"It's been a great Credit Union to me over the years. I joined when I was in my early 20's. I have had all my car loans with them and one consolation loan when I had money problems many years ago. They helped me out and I've been fine ever sense. Thank You."

"Alliance has helped me many times in the past when was young and needed financial assistance. I don't know how well I would have done without your help. I am retired now and my finances are stable. Thank You for all your help."

"I joined Alliance from Laclede that transferred to Arch which transferred to you. i appreciate the check up call I received from Alliance during Covid and the call I got when i used the wrong checkbook to write a check. I like small town personal service. That's what I get from your team."

"The employees here are always extremely helpful and friendly. I have to say, the service seems much more personal at this institution than I've ever experienced at prior banks. I moved away to Jefferson City recently, but STILL keep my banking at Alliance Credit Union in O'Fallon, MO! I'll always be loyal because your employees have always gone above and beyond for me."

"You guys have been very good to work with. Whether modifications refinancing or car loan transfers I have always come out a lot better."

"Switching to Alliance credit union was the best financial decision I've ever made!"

"Any time I need to call or visit, I feel like I have my own personal banker."

"Thank you for being an amazing credit union I can trust."

Thank You!
