Delivering Value

Take Our Online Annual Member Survey to Win $500!

Alliance will reward one lucky member with **$500** for taking our short, online member satisfaction survey. **Every member currently enrolled in Virtual Branch is eligible to complete the survey. Simply complete the survey by August 31 and you will be automatically entered for the $500 cash drawing.**

We will email the electronic survey to each Virtual Branch user's personal email address in early July. To complete the survey, simply check your email account with the same address that you use for Virtual Branch.

The email with the survey link will be waiting for you in your inbox. Please check your spam folder if you did not receive it.

Alliance's management team and board of directors use these survey results and member feedback to decide on service improvements, future product offerings, facility needs, and more. For example, past results helped management decide to launch a new website this year.

We thank you in advance for your input and for helping us make your credit union even better!

Simple, Fast, Secure: Protect Against Fraud with a QR Code

Alliance understands it's crucial to help protect you from account takeover fraud. That's why we are introducing a new ID proofing measure for in-person visits to our Shared Branch locations. This new fraud prevention measure allows us to make certain it is YOU trying to access your account, not an imposter.

If you bank at one of our Shared Branch locations, a teller can now identify and authenticate members with out-of-state IDs in the branch through a QR code and one-time passcode multi-factor authentication verification. This additional layer of authentication will be used for any transaction type for someone with an out-of-state ID using a Shared Branch.

How it Works:

1. Scan the QR code located in the branch or visit **verify.coop.org.**

2. Select your credit union's name from a drop-down list.

3. Enter your member number and the last four digits of your social security number.

4. Upload a photo of your ID.

5. Take a selfie.

Tip: Save your validation for an even quicker experience next time!

6. Show your one-time passcode to the teller (passcode is valid for 20 minutes).
