## Take the FREE Way with Electronic Statements - Not the Fee Way!

Starting September 1, Alliance will implement a **\$3 monthly fee** for all members that have not yet switched to electronic statements. All children 17 years and younger along with all seniors aged 60 and older **will be exempt from the fee** and will still receive their paper monthly statements.

As a cooperative financial institution that is owned by our members, Alliance is constantly trying to reduce its operating costs. That is how we can pay higher returns on investments and offer lower loan rates. As with most fees implemented by Alliance, we will give our members an easy option to avoid the forthcoming \$3 monthly charge for receiving paper statements.

If you would rather take the free way instead of the fee way, simply enroll in Statement Express, our electronic statement solution located inside Virtual Branch which is available through

our homepage at [www.alliancecu.com](http://www.alliancecu.com). To enroll, log into your Virtual Branch, go to the Self Service tab, click on Statement Express and follow the steps from there. Please note that you must

turn off your pop-up blocker for the enrollment to be completed properly. If you are brand new to electronic statements, you will not have access to your old paper statement history.

### Why Enroll In Statement Express:

- Get your monthly statement faster!
- They are safer since they are not sitting in your mailbox.
- Environmentally friendly: No trees harmed!
- They are completely free!

Alliance appreciates you making this move to paperless statements. If you have any questions on enrolling, please contact our Call Center today at 636-343-7005, ext. 2000!

# New Suite of Prepaid Card Services

Alliance has upgraded its full suite of prepaid card services to better meet the changing financial needs of our members. Check out how each card's unique features can benefit you!

- **Payroll Cards:** The PayCard is a re-loadable, pre-paid Visa debit card that allows your employer to directly deposit your paycheck to this card. You don't need an account with Alliance because the PayCard acts as a direct link between you and your employer.
- **Travel Money Cards:** TravelMoney is a prepaid reloadable Visa debit card which offers travelers a safe and convenient alternative to travelers' checks or cash. The Visa TravelMoney Card can offer the security and convenience that traditional solutions can't match.

The card is accepted at over 25 million merchants worldwide. And, you can obtain the local currency at over 1 million Visa ATMs around the world!

- **Reloadable Debit Cards:** The Visa Reloadable Prepaid card is a smart and cost-effective alternative to carrying cash and paying check-cashing fees. The Reloadable card will allow you to load your cash onto the card and then

make purchases everywhere that accepts Visa debit cards.

- **Gift Cards:** The Visa Gift Card is a prepaid, non-reloadable, card that can be used at millions of locations where Visa debit cards are accepted, including retail stores, online merchants and mail and phone orders. No problem!**

**Instant Issue Debit Cards  
are now available at
