Wrap Up Your Holiday Shopping with VISA Gift Cards & Pop Money!

Giving a Visa Gift Card or sending a loved one money online through Pop Money are the easiest ways to put a bow on your holiday shopping this season!

Visa Gift Cards are a prepaid, non-reloadable, card that can be used at millions of locations where Visa debit cards are accepted, including retail stores, online merchants and mail and phone orders. Since it's a prepaid card, spending is limited to the initial amount of money placed on the card. Pick yours up today at any branch and give them the gift of choice this holi-

day season! *It's the perfect gift for that hard-to-shop-for family member.*

Have loved ones that live far away?

Use Pop Money, our personal payment service! It lets you send money to

friends and family at anytime no matter how far away. All you need is their name and email address or mobile number to move money from your Alliance account to theirs. You can even email or text the funds! There's never a need to withdraw cash or send a check.

You can even include a short message wishing them happy holidays! Login to Virtual Branch to send funds to that special someone today. Call 636-343-7005, ext. 2000 if you need assistance. Alliance has your last-minute shopping needs covered, so wrap it up!

Download our Mobile App for iPhone & Android

Alliance is excited to announce the launching of its iPhone and Android mobile banking applications! You will be able to securely access your accounts anytime from your mobile device to check account balances, transaction history, pay bills and more.

Mobile Check Deposit will also be included in both apps, so you can deposit your checks from home by simply taking a picture of the check with your mobile device or tablet. Our system will text you notices throughout the process until your check has cleared.

Safe and Secure

Our mobile applications use security protocols similar to Virtual Branch. No account or login information is stored on your mobile device and an inactivity-logout feature is also in place. You are also required to authenticate

yourself on each mobile device in the same manner that Virtual Branch requires: all communication between your mobile device and the mobile banking server is encrypted as well.

App Highlights Include:

- ✓ Check Account Balances
- ✓ Transfer Funds
- ✓ Transaction History
- ✓ View Check Images
- ✓ Pay Bills
- ✓ Open New Accounts
- ✓ Securely Deposit Checks
- ✓ Find Branches & ATMs
- ✓ View eStatements

To download, simply visit the App Store or Google Play to install your new app.
