### May is for Miracles!

#### Help Us Support Children's Miracle Network

Throughout May, Children's Miracle Network (CMN) and Alliance are helping to raise awareness about the importance of children's hospitals in the St. Louis area. All donations equally benefit both St. Louis Children's Hospital & Cardinal Glennon Children's Medical Center and are used to help support patient care programs and services.

Donations to Children's Miracle Network literally help create miracles by funding the medical care, research and education that saves and improves the lives of 17 million children treated at Children's Miracle Network hospitals each year. Children's Miracle Network

hopes to raise at least \$100 million for children's hospitals across North America.

"We at Children's Miracle Network Hospitals are so thankful for the continued support from our credit unions and their members," Maria Langston, Executive Director, Children's Miracle Network Hospitals of Greater St. Louis said. "It's because of the funds collected by partners like local credit unions during this promotion that we are able to provide the much needed funding to support our two member hospitals, St. Louis Children's Hospital and Cardinal Glennon Children's Medical Center. "

**How you can help:**  
Your change can be life-changing to young children throughout the St. Louis region.

Simply stop by any branch office and drop some loose change into the CMN wishing well located in each lobby. Alliance will match your donation.

### Alliance Holds Ribbon Cutting for New O'Fallon Personal Service Branch!

O'Fallon, MO, April 13, 2012 – several city and community business leaders were on hand for the ribbon-cutting at our new Personal Service Branch at 1167 Bryan Road (left photo). This exciting branch concept provides members a full service ATM 24/7 and most traditional branch services but without a teller line. The Personal Service Branch is the latest "first" for Alliance, which was the first Missouri CU: 1) to be approved by the Small Business Administration as a business lender, 2) to open a standalone Home Loan Office, 3) to pioneer a high yield liquid CD called the "Income Now CD" etc. During the ribbon-cutting (right photo), Alliance President/CEO Dennis Sommer presented a \$500 check to Brendan's Playground representative Victoria Schmitt Babb and Mayor Bill Hennessy. Brendan's Playground is located in O'Fallon's Westhoff Park and features play equipment designed to reduce the challenges and limitations created by disabilities.
