Added Loan Protection:

Alliance has several low-cost insurance products that can be added on to your loan to ensure that you are covered when you need it most.

Credit Life & Credit Disability: You can't predict or prevent a debilitating or life-threatening event. But you can prepare for it. That's what Credit Life and Credit Disability Insurance is all about: helping to protect our members and their families during times of disability or death.

Guaranteed Auto Protection (GAP): Guaranteed Auto Protection (GAP) covers that gap between the amount your car is worth and the amount you still owe in the event that your car is totaled or stolen and unrecovered. GAP supplements, but does not replace, your primary auto insurance coverage.

Mechanical Breakdown Insurance (MBI): Vehicles break down once in a while. It's worse when they break down just after your factory warranty expires. If you have MBI, any out-of-pocket expenses for major repairs (like your transmission) are covered.

For more information on these products or to add them on to your loan, call us today at 636-343-7005, option 0.
