APRIL 2017

Notice to All Bill Pay Users:

Alliance Credit Union is switching to an alternative bill payer platform that will provide you with a more modern, user-friendly experience. To perform this upgrade, Bill Pay service will be unavailable the afternoon of April 4th until April 6th.

To avoid any payment interruptions, please ensure all your payments that are due between April 6th-April 13th are set up and processed by April 2nd. If you do not reschedule your bills due that week by April 2nd, your payment may be late. Please note that it will eventually be paid though.

Once migration is complete, you will not be required to reenter your payees or re-enroll into bill pay. We apologize for any inconvenience. Please call us at 636-343-7005, option 0 with any questions or concerns as we want to make this transition as smooth as possible for you.

Upgrade to our Online Bill Pay Platform Coming in Early April

Alliance Credit Union wanted to take this opportunity to let you know that your bill pay platform will soon be upgraded to a more modern, user-friendly platform! Our Annual Membership Survey results revealed that this was a necessary improvement to ensure we were meeting our members' service expectations. We believe we have located the best bill pay product for you and your bill payment needs.

With our improved bill pay platform, you'll have access to these great features:

- Search for vendors.** Add new vendors simply by typing in the company name. If a match is found in the database, the vendor's information will be added automatically. No more hunting down mailing addresses! Simply enter your account number and add your bills to be paid.

- Schedule payments by the due date.**

The product allows you to enter the date you would like your vendor to receive your payment, and we take care of getting it there on time!

- Keep your money with you.** Your money will remain in your bank account until the day you select the payment be made to your vendor.
- Set up reminders.** Never make a late payment again! When you set up reminders, you'll receive a message telling you when your payment is due.
- Pay from multiple checking accounts.** Choose which checking account to pay your bills from.
- Make recurring payments.** Eliminate the hassle of paying your monthly bills by setting up recurring payments. This is a great option for payments that don't change from month to month - such as your car payment or mortgage.
- See it all at a glance!** The Payment Center lets you make payments and

view pending payments, recent payments, and bill reminders all on the same screen.

We anticipate the migration to the new platform to occur in the first week of April. Please check our website, your Virtual Branch email, and your personal email for any updates or status changes. We want to make this transition a positive one for you!

Our Hampton Branch Now has an ATM

Many members reported on last year's Annual Membership Survey that they would like to have an ATM at our Hampton branch. Alliance is happy to report that we were listening and we have recently installed a walk-up ATM that is available to all members 24/7.
