AUGUST 2017

## Apple Pay, Android Pay, & Samsung Pay Now Available

Members now have the ability to pay for their in-store transactions with their smartphone with one of three digital wallet platforms: Apple Pay, Android Pay, and Samsung Pay. Below are some benefits to motivate you to use a digital wallet.

### Convenience

With digital wallets, you can complete a transaction in seconds simply by waving or tapping your smartphone at the checkout terminal. This also means that you will no longer have to dig in your purse or wallet for the right card.

### Secure Transactions

When you complete a transaction

using your digital wallet, your name, debit card number and security code stay private since you do not give your physical card to anyone. Your debit card numbers are not shared with retailers. The retailer receives only a transaction-specific code to process your payment, which can only be used

once. This means that you are better protected against fraud and card breaches.

### Download the App

Each digital wallet will require you to download the app that works on your individual device, although Samsung Pay comes pre-installed on newer Galaxy smartphones that come equipped with fingerprint scanners. Simply set up your Alliance debit card as your top payment card to set it as the default card.

## Changes to Our Best Interest Checking Account

Our Best Interest Checking account allows you to earn **1.75% APY\* monthly on the first \$10,000** by meeting four simple criteria that you may already be doing. We did change one qualification (highlighted in red) to make it easier for members to qualify!

### Your Monthly Qualifications:

- Have at least 25 debit card transactions post and settle
- Have at least one direct deposit post and settle
- **Pay three bills with Bill Pay or re-occurring ACH**
- Enroll in e-statements

### What if I do not meet the monthly qualifications?

This account simply defaults to a free-

checking account that earns 0.15% APY interest with no monthly fees or minimum balance requirements. You can always get right back earning 1.75% APY the next month you qualify.

### What do I earn if my balance exceeds \$10,000?

You will earn 0.15% APY on all balances exceeding \$10,000.

### Additional Benefits:

- Receive .25% off new consumer loans
- Receive a \$200 Lender Credit towards first mortgage closing costs

### Questions about this new account?

Please call us at 636-343-7005, option 0, or stop by any branch if you have any questions about our new high-interest checking account. You can even chat with us online during business hours at **www.alliancecu.com**.

\*Qualifying accounts earn 1.75% APY. Non-qualifying accounts earn 0.15% APY. The minimum balance to open this account is \$5. No minimum balance is required to maintain account. Qualification cycle is the 1st day of the beginning of the month to the last day of the end of the month. Qualified rewards will be paid out the following month. **Any Alliance ACH is excluded for bill pay qualification purposes.** Interest and APY subject to change at our discretion.

## Win \$500 for Taking our Survey

Alliance will reward one lucky member with **\$500** for taking our short, online member satisfaction survey. Every member currently enrolled in Virtual Branch is eligible to complete the survey. You will be automatically entered for the cash drawing when you complete the survey by submitting your answers! Everyone who completes the survey by **August 31st** will be entered.

An electronic survey will be emailed to each Virtual Branch user's personal email account within the second week of July. To complete the survey, simply login with the same email address that you use for Virtual Branch. The email with the survey link will be waiting for you in your inbox.

Alliance's management team and board of directors use these survey results and member feedback to decide on service improvements, future product offerings, facility needs and more.

For example, last year's results helped management decide to

install a 24-hour ATM at our Hampton location, as well as to add member access to financial management software Quicken and Quickbooks within online banking. based on your feedback, we will also be adding digital wallets (Apple Pay, Android Pay, and Samsung Pay) later this year.

We thank you in advance for your input and for helping us make your credit union even better!
