Delivering Convenience with Shared Branching

Personalized service is a major benefit of banking at Alliance Credit Union and you don't have to sacrifice convenience to get it. Take advantage of Alliance Credit Union's shared branching services through CO-OP Shared Branch and you can access your account at any of 5,200 credit union branches nationwide, often just as if you were visiting one of our own.

The national CO-OP Shared Branch network links participating credit unions electronically, allowing credit union members to do "branch banking" even when the branch near you doesn't belong to Alliance Credit Union. This is a huge benefit to Alliance Credit Union members who travel, whose workplaces don't coincide with our branch locations, or who simply enjoy the convenience of expanded access. Wherever you are across the country, chances are good there is a shared branch near you.

Shared branching is yet another example of credit union membership offering the best of both worlds—individualized attention and nationwide availability. The cooperative spirit of credit unions allows them to work with each other in ways that competing banks typically do not. **Visit www.co-opsharedbranch.org or download the Shared Branch Locator app for iPhone or Android to find branches nearest you.** You can also look for the "CO-OP Shared Branch" logo on the door of any credit union branch.

In order to perform a transaction at a participating shared branch, you must have your account number and photo identification. You can perform any transaction that you wish at a shared branch location; this includes deposits and withdrawals, check cashing, transfer of funds, loan payments and more.

Many shared branches also offer trans-

fers, statement histories, money orders, traveler's checks and notary services. Since services vary from one location to another, check with individual branches before your visit for a complete menu of available services.

You may utilize a non-Alliance branch for a \$3.00 per visit fee. This convenience fee is similar to that of using a foreign ATM and simply covers our cost of providing the service. As a financial cooperative, we only ask members to pay the cost for added convenient services that they wish to use. Keep in mind, there is never a charge for utilizing an Alliance Credit Union-owned branch.

Just look for this logo for participating credit unions in the Shared Branch Network!

First-Time Homebuyer Program

Are you or someone you know looking to buy a home for the first time?

We have just unveiled our First-Time Homebuyer Program that will get you into a home with as little as 5% down. With this new program, first-time homebuyers pay no lender fees and do not have the responsibility of paying hundreds of dollars each month in mortgage insurance. Our First-Time Homebuyers Program is also available for buyers who have not owned a home in three years.

Why Choose Alliance?

We have very competitive rates with some of the lowest closing costs in the St. Louis area. We also have a dedicated Mortgage department with a knowledgeable staff of professionals who will walk you through the process and answer all your questions from start to even after you close. We also take a different approach from some of our competitors that advertise on radio and television.

We will never lure you into low down payment program that is stacked with hidden origination, application or processing fees on the back end. We want repeat customers and referrals, so we will not charge any lender fees.

Unlike our competitors, Alliance will cover the \$695 Processing Fee, the \$37.90 Credit Report Fee (\$27.20 for individuals) and the \$14 Flood Certification.

If you have any questions about our new First-Time Homebuyer Program or any other of our great first and second mortgage products, please call one of our Home Loan Specialists today at 636-343-7005, option 3.
