EFT Disclosure

ELECTRONIC FUNDS AGREEMENT AND DISCLOSURE

(REGULATION E) This Electronic Funds

Transfer Agreement is the contract which covers your and our rights and responsibilities concerning the electronic funds transfer ("EFT") services offered to you by Alliance Credit Union ("Credit Union"). In this agreement, the words "you" and "yours" mean those who sign the application or Account card as applicants, joint owners, or any authorized users. The words "we" and "our" mean the Credit Union. The word "Account" means any one or more savings, checking, money market Account or line of credit loan Account you have with the Credit Union. Electronic fund transfers are electronically initiated transfers of money from your Account through the electronic funds transfer services described below.

Indicated below are types of Electronic Fund Transfers we are capable of handling, some of which may not apply to your Account. Please read this disclosure carefully because it tells you your rights and obligations for the transactions listed. You should keep this notice for future reference. By signing an application or Account card for EFT services, signing your Card, or using any service, each of you, jointly and severally, agree to the terms and conditions in this Agreement and any amendments for the EFT services offered.

Preauthorized EFTs - Direct Deposit. Upon instruction of (i) your employer or (ii) the Treasury Department or (iii) other financial institutions, the Credit Union will accept direct deposits of your paycheck or of federal recurring payments, such as Social Security, to your savings or checking Account(s).

Preauthorized Debits - Upon instruction, we will pay certain recurring transactions from your savings and checking Account(s). See "Transfer limitations" that may apply to these transactions.

Electronic Check Conversion/Electronic Returned Check Fees

- If you pay for something with a check or draft you may authorize your check or draft to be converted to an electronic fund transfer. You may also authorize merchants to electronically debit your Account for returned check fees. You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to: (i) pay for purchases, (ii) pay bills. You are considered to have authorized these electronic funds transfers if you complete the transaction after being told (orally or by a notice posted or sent to you) that the transfer may be processed electronically or if you sign a written authorization.

Business Days - Our business days are Monday through Friday, excluding holidays.

Transfer Types Using Access Devices - If approved, you may use your **ATM card** or **VISA Debit Card** and PIN (Personal Identification Number) in **ATMs** (Automated Teller Machines) of the Credit Union, CO-OP, Cirrus and The Exchange networks, and such other machines or facilities as the Credit Union may designate. The Credit Union will determine if we can clear (pay) a check, ACH, Virtual Branch Bill Pay, recurring debit item, or everyday Debit and ATM transaction (for those members who have opted in to courtesy pay) presented on your Checking Account that doesn't have "available" funds on deposit. You must be enrolled in e-notices to be notified of the per item fee assessed to your account if the Credit Union clears a check, ACH, Virtual Branch Bill Pay, or recurring debit item and draws your Account to a negative balance.

In the event of repeated overdrafts, the Credit Union may terminate all services under this Agreement.

Your Visa Debit card also allows you to conduct transactions on the Star and Co-op debit networks, which will generally require you to enter your PIN. Some merchants are authorized to accept non-Visa debit transactions without requiring you to enter your PIN. If you choose to sign to authorize a debit transaction, the transaction will be routed as a Visa transaction. Provisions of your cardholder agreement that specifically relate to Visa transactions are inapplicable to non-Visa debit transactions.

"For those members who have opted in to courtesy pay) Your Credit Union will determine if we can clear an everyday Debit or ATM transaction presented on your Checking Account that doesn't have 'available' funds on deposit. This special service is available only to qualified members and only after all overdraft protection options have been exhausted. You will be notified in writing of the per item fee assessed to your Account if the Credit Union clears a Debit or ATM transaction and draws your Account to a negative balance."

Ownership of Cards - Any Card or other device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the Card, immediately according to instructions. The Card may be repossessed at any time at our sole discretion without demand or notice. You cannot transfer your Card or Account to another person.

Honoring the Card - Neither we nor merchants authorized to honor the Card will be responsible for the failure or refusal to honor the Card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your Account in lieu of a cash refund.

Foreign Transactions - VISA Purchases and cash withdrawals made in foreign countries and foreign currencies will be debited from your Account in U.S. dollars. The conversion rate to dollars will be determined in accordance with the operating regulations established from time to time by VISA International. Currently the currency conversion rate used to determine the transaction amount in U.S. dollars is generally either a government mandated rate or the wholesale rate in effect the day before the transaction processing date, increased by one percentage point. The currency conversion rate used on the processing date may differ from the rate that would have been used on the purchase date or cardholder statement posting date.

Security of Access Code - You may use one or more access codes with your electronic funds transfers. The access codes issued to you are for your security purposes. Any codes issued to you are confidential and should not be disclosed to third parties or recorded on or with the Card. You are responsible for safekeeping your access codes. You agree not to disclose or otherwise make your access codes available to anyone not authorized to sign on your Accounts. If you authorize anyone to use your access codes that authority shall continue until you specifically revoke such authority by notifying the Credit Union. You understand that any person having access to your access codes will be able to access your Accounts and perform all transactions, including establishing new Accounts and withdrawing or transferring funds from any of your Accounts. If you fail to maintain the security of these access codes and the Credit Union suffers a loss, we may terminate your EFT services immediately.

Joint Accounts - If any of your Accounts accessed under this Agreement are joint Accounts, all joint owners, including any authorized users, shall be bound by this Agreement and, alone and together, shall be responsible for all EFT transactions to or from any share and share draft or loan Accounts as provided in this Agreement. Each joint Account owner, without the consent of any other Account owner, may, and hereby is authorized by every other joint Account owner to, make any transaction permitted under this Agreement. Each joint Account owner is authorized to act for the other Account owners, and the Credit Union may accept orders and instructions regarding any EFT transaction on any Account from any joint Account owner.

Member Liability - You are responsible for all EFT transactions you authorize. If you permit someone else to use an EFT service, your Card or your access code, you are responsible for any transactions they authorize or conduct on any of your Accounts.

After business hours for Visa Debit Card only- 1-800-472-3272

Tell us **AT ONCE** if you believe your ATM card or VISA Debit Card has been lost or stolen or if you believe someone has used your Card or access code or otherwise accessed your Accounts without your authority. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your Account. If a transaction was made with your VISA Debit Card or VISA Debit Card number without your permission, and was either a VISA or Interlink transaction, you will have no liability for the transaction, unless you were grossly negligent in the handling of your Account or card. For all other EFT transactions, including ATM transactions or if you were grossly negligent in the handling of your Account or card, your liability for an unauthorized transaction is determined as follows. If you tell us within two (2) business days, you can lose no more than \$50 if someone used your ATM card/PIN without your permission. If you **DO NOT** tell us within two (2) business days after you learn of the loss or theft of your card, and we can prove we could have stopped someone from using your card without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within 60 days after the statement has been mailed to you, you may not recover any money lost after the 60 days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If extenuating circumstances (such as a hospital stay) kept you from contacting us, we may, at our discretion, extend a given time frame.

Right to Receive Documentation

Periodic Statements - Transfers and withdrawals made through any ATM or POS terminal, Debit Card transactions, audio response transactions, preauthorized EFTs, electronic/PC transactions or bill payments you make will be recorded on your periodic statement. You will receive a statement monthly unless there is no transaction in a particular month. In any case, you will receive a statement at least annually.

Terminal Receipt - You will get a receipt at the time you make any transaction (except inquiries) involving your Account using an ATM, POS terminal, or Debit Card transaction with a participating merchant.

Direct Deposit - If you have arranged to have a direct deposit made to your Account at least once every sixty (60) days from the same source and you do not receive a receipt (such as a pay stub), you can find out whether or not the deposit has been made by calling (636) 343-7005. This does not apply to transactions occurring outside the United States.

Disclosure to Third Parties - We will disclose information to third parties about your Account or the transfers you make where it is necessary for completing transfers, confirming transactions or, in order to verify the existence or condition of your Account for a third party, such as a credit bureau or merchant or in order to comply with government agency or court orders or subpoenas; or, if you give us your written permission.

Credit Union Liability for Failure to Make Transfers - If we do not complete a transfer to or from your Account on time or in the correct amount according to our agreement with you, we may be liable for your losses or damages. However, there are some exceptions. We will not be liable for instance:

- If, through no fault of ours, you do not have enough money in the form of collected funds in your Account to make the transfer.
- If the transfer would go over the credit limit of your line of credit loan Account.
- If the ATM terminal where you are making the transfer does not have enough cash or is not normally equipped to perform the service you requested.
- If the ATM terminal, telephone or computer equipment you use to conduct ATM, audio or Internet banking transactions is not working properly and you knew or should have known about the breakdown when you started the transfer.
- If circumstances beyond our control (such as fire, flood, or power failure) prevent the transfer, despite reasonable precautions that we have taken.
- If the Credit Union fails to receive necessary transfer data or the data it receives is erroneous or incomplete.
- If the Credit Union has received a report that your ATM card or VISA Debit Card has been lost or stolen or if the Credit Union has reason to suspect there is unauthorized use of your ATM card or VISA Debit Card.
- If your funds are subject to legal process or other encumbrance restricting such transfer.
- If funds in your Account are pledged as collateral or frozen because of a delinquent loan.
- If the error was caused by a system of any participating ATM network.
- If the electronic transfer is not completed as a result of your willful or negligent use of your Card, access code, or any EFT facility for making such transfers. If you have bill payment services, we can only confirm the amount, the participating merchant, and date of the bill payment transfer made by the Credit Union. For any other error or question you have involving the billing statement of the participating merchant, you must contact the merchant directly. We are not responsible for investigating such errors.
- There may be other exceptions stated in our agreement with you or as provided by applicable law.

Stop Payment Rights - If you have told us in advance to make regular electronic fund transfers out of your Account, you can stop any of these payments. Call or write in time for us to receive your request three business days or more before your payment is scheduled to be made. If you call, we also require you send us a written request 14 days after the call. We will charge you the current fee in effect for each stop payment three-business days or more before your transfer is scheduled, and if we do not do so, we will be liable for your losses and damages.

If any regular pre-authorized electronic fund transfer payment should vary in amount, we or the person you are going to pay is required to tell you (10 days before each payment), when it will be made and how much it will be. However, you may choose to receive this notice only when a payment differs by more than a certain amount or when the amount falls outside certain limits you set.

Notices - All notices from us will be effective when we have mailed them or delivered them to your last known address in the Credit Union's records. Notices from you will be effective when received by the Credit Union at the address specified in this Agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least twenty-one (21) days before the effective date of any change. Use of this service is subject to existing regulations governing the Credit Union Account and any future changes to those regulations.

Safety Precautions - The following information is a list of safety precautions regarding the use of Automated Teller Machines (ATM) and Night Deposit Facilities.

- Be aware of your surroundings, particularly at night.
- Consider having someone accompany you when the ATM or night deposit facility is used after dark.
- If another person is uncomfortably close to you at the time of your transaction, ask the person to step back before you complete your transaction.
- Refrain from displaying your cash at the ATM or night deposit facility. As soon as your transaction is completed, place your

money in your purse or wallet. Count the cash later in the safety of your car or home.

- If you notice anything suspicious at the ATM or night deposit facility, consider using another ATM or night deposit facility or coming back later. If you are in the middle of a transaction and you notice something suspicious, cancel the transaction, take your Card or deposit envelope, and leave.
- If you are followed after making a transaction, go to the nearest public area where people are located.
- Do not write your personal identification number or code on your ATM Card.
- Report all crimes to law enforcement officials immediately.
