Personalized Debit Cards are Now Available

Alliance Credit Union is now offering personalized debit cards through its new platform- MyPic Debit Cards. You will have **two options** to choose from. Simply upload your image for full edge-to-edge card coverage or select the Photo ID Only option if you would only like your headshot. Many members choose this option for added debit card security.

Please note that your current card will be disabled when you activate your new card. There is a \$9.95 service charge for this service, which will be deducted from your checking account when the new card is ordered.

Option 1: Edge-to-Edge Card Coverage
Why not enjoy seeing your favorite

photo every time you make a purchase with your Alliance Visa Debit Card? The first option covers your entire card from edge-to-edge with the photo that you chose to upload. Or, you can select an image from our online gallery.

Edge-to-Edge Example:

Option 2: Photo ID Only

If you would prefer to have an extra layer of debit card security, then the Photo ID Only option is for you!

Simply upload your favorite headshot of yourself to increase your protection against fraud. If your wallet or purse is lost or stolen, your debit card will be harder for the criminals to use in person.
