Earn 4.00% APY with Best Interest Checking

Our Best Interest Checking account allows you to earn **4.00% APY*** monthly on the first \$10,000 by meeting four simple criteria that you may already be doing.

You will earn 0.15% APY on all balances exceeding \$10,000.

Additional Benefits:

Change UP the Way You Save Today

Change UP the way you save by enrolling in our new "Pocket the Leftovers" debit card round-up program. The purchase price of the item you buy is rounded up to the nearest dollar amount. The difference between the purchase price and the rounded-up dollar amount is transferred from your checking account into your savings account.

This is a simple and easy way to automate your savings and to continuously build up your emergency savings fund without having to think about it. Having an emergency fund is important because it provides a financial safety net to cover unex-

pected expenses like medical bills, car repairs, or being laid off. Ideally, an emergency fund should contain enough money to cover three to six months of your essential living expenses like rent, utilities, food, and transportation, depending on your individual financial situation.

How to Enroll: To enroll in our "Pocket the Leftovers" debit card round-up program, simply stop by any branch or call us at 636-343-7005 today.
